locals of the Standard Cordage Company

and has made an absolute failure of business. Ever since it began operaions the company has lost money, it is alleged, despite the fact that other people in the same line have been able to make a profit. Practically all the \$1,000,000

to the Cole-Ryan syndicate, which resulted in the formation of the Amalgamated Copper Company, of which John D. Ryan is president, has brought about a suit by William W. Johnston to recover \$25,000 from Mr. Ryan for alleged services as intermediaty in the negotiations. vices as intermediary in the negotiations with Heinze that resulted in the sale. The defendant obtained an order for the examination of Johnston before trial. but his counsel, H B. Culver, asked Supreme Court Justice McCall yesterday to vacate the order on the ground that the defendant had all the information he

The complaint states that Johnston worked between March 17, 1905 and Febworked between March 17, 1905 and Feb-mary 13, 1906, to bring about the deal tetween Heinze, L. L. Cole and Ryan, and that as a result of his efforts Heinze transferred all his mining and smelting property to the syndicate on February 24, 1906 and got \$10,500,000. The Heinze property was then incorporated under the name of the Red Metal Mining Com-pany, which was capitalized at \$11,000 -1000 and two days later the Butte Coali-tion Mining Company was formed by the

Ryan declares that Johnston was formerly his stenographer and that he never authorized Johnston to act in the Heinze matter. He says that if anybody enlisted Johnston's services it must have been Heinze and suggests that Heinze is the one to sue. Johnston admits that he was once Ryan's confidential secretary but says he resigned to do the work he has described. He says Ryan told him he would be on "easy street" if the deal went through.

TO CONVERT MEXICAN DEBT. European Bankers Said to Be Ready to

Cut Interest Below 5 Per Cent. MEXICO CITY, May 3.-It is said that reliminary overtures are being made the Government by a strong group of propean bankers with a view to reconng Mexico's 5 per cent. foreign gold into another loan bearing a lower of interest. If the reconverting is greed to it is probable that the new latest conversion was in 1899. cans then converted were originally an of 1888 was for £10,500,000, that

so known as the Tehuantepec Rail can for £2,700,000, that of 1890 for con and that of 1893 £3,000,000. In the exception of the Tehuantepec

GOSSIP OF WALL STREET.

The market yesterday displayed many of those tendencies which are often in evidence after a long decline. After stocks have declined with fair uniformity it often happens that bearish attacks concentrate upon one group of stocks, and yesterday everybody seemed to be aiming at Amaistate Court Into the Bankruptey gamsted Copper and Smelters, though these stocks had been among the most vulnerable on the two previous days. After a long decline also the market ordinarily becomes holders of second mortgage irregular and erratic, with a wide range between the high and low prices of the day. and yesterday a brisk upward movement. day's close, was succeeded by a dull period and then by a violent break, which was followed in turn by a fairly brisk raily at the commany. Judge Holt and

In the application for the receiver it is alleged that the management of the company has been inefficient and wastetop of the market seemed still to be con-

If transactions in the morning, when news of the Senate's action was fresh, repdissipated, say the petitioners.

Mr. Russell said yesterday that the company had not been operating any of its large and expensive plants for the last two months as the bottom seemed to have dropped out of the cordage business. "People nowadays," he observed, seem to be pulling wires instead of rope."

Then he explained that he meant wire offices the heavy declines of the previous ine of substituting wire cables for manila.
